

# Balloonfest, Air Show & So Much More

## 2022 Vendor Application

Thank you for your interest in participating in the 2022 Balloonfest, Air Show and So Much More, scheduled for Saturday, September 10 and Sunday, September 11! This year marks the 16th year of the event and we are excited to see the event continue to grow. We realize the importance of community-based activities and want to provide a fun-filled and profitable day for our vendors. There are 3 categories of vendors for this event: Non-Profit & Service Organization, Exhibitor and Crafter.

Non-Profit and Service Organizations will be offered an area inside or outside a building to promote their mission. There will be no charge to non-profits and service organizations that are not selling items (there is a charge for electricity, if needed). In exchange for this opportunity, we would ask that your group provide a free children's activity to enhance our "Family Fun" for all the children in attendance. If a non-profit or service organization wishes to sell merchandise (or raffle tickets), they will be considered an exhibitor and charged accordingly.

Crafters and Exhibitors: Crafters are selling hand-made items. Exhibitors are selling for a for-profit company. There are two booth sizes available for this year's event. \$50.00 for a 10' x 10' space or \$65.00 for a 12' x 12' space. To reserve space for 2022 print and complete the form below and return with your payment (payable to: Balloonfest, Air Show & So Much More) to either one of the following listed before **September 1st, 2022**. **(Note no applications will be accepted after September 1st, 2022)**
